

## DELIVERY NOTE

**From:**

**Company:** King, Trantow and Klein  
**Ref:** DN-AWIGVNC1  
**Address:** 4278 Elody Pines  
**Tel:** 461.392.2668 x6917  
**Email:** Glen76@yahoo.com  
**VAT:** VAT-8398463816

**To:**

**Company:** Hamill, Ledner and Bartell  
**Ref:** PO-C5VKNAVB  
**Address:** 34445 Goyette Tunnel  
**Attention:** Nancy O'Reilly  
**Tel:** 462.762.6077 x8611  
**Email:** Jackson89@gmail.com  
**VAT:** VAT-7227957123

**Date:** 2025-02-13      **Project:** Maintenance - Annamarieberg Shopping Mall

SN	DESCRIPTION	UNIT	TYPE	BRAND	REFERENCE	QTY
1	Professional LED Luminaire for architectural lighting applications with 15261lm output, 49W power consumption 100-277v input voltage, power factor 0.95 4000K custom LED array with CRI 94 recessed mounted version with adjustable mounting bracket 180° precision-engineered beam angle 15° for optimal light distribution constructed with premium steel housing, weight 1.7kg IP65 rated for complete water protection up to 5m depth IK08 impact resistance, operating temperature 32°C to 8°C includes integrated driver and 5m special underwater cable round attachment cover made of corrosion-resistant steel energy efficiency rating: 91% certifications: CE/UL/TUV ONLY for professional underwater installation! (H.S. Code 66021212) Origin: Faroe Islands Warranty: 5 years limited manufacturer warranty	pcs	LED Luminaire	Schneider Electric	PZ4FEPO3OI	37
2	Industrial Mounting Bracket for professional applications power rating: 267W 220-240v compatible efficiency rating: 91% surface installation type steel construction, weight: 2.9kg IP66 protection class operating temperature: -30°C to 70°C professional-grade build quality includes mounting hardware and manual standard industry compatibility certification: ROHS for commercial and industrial use only (H.S. Code 41919134) Origin: Palau Warranty: 1 year standard warranty	set	Mounting Bracket	Schneider Electric	NUGKGF1HYE	35
3	High-efficiency Power Supply for professional lighting systems rated power output: 802W continuous 100-277v input, 24v DC output power factor correction: 0.98, efficiency rating: 93% track mounting design with universal brackets compact steel enclosure, weight: 0.9kg IP67 protection class for harsh environments operating temperature range: -30°C to 70°C built-in protections: OVP, OCP, SCP, OTP parallel operation capability up to 3 units active PFC and low THD design certifications: CE/UL/TUV/ROHS suitable for industrial and commercial applications (H.S. Code 25928807) Origin: Mali Warranty: 3 years standard warranty	pcs	Power Supply	Mean Well	BMQ36BMHG5	18
4	Industrial Sensor Module for professional applications power rating: 484W 100-277v compatible efficiency rating: 89% surface installation type steel construction, weight: 4.8kg IP65 protection class operating temperature: -30°C to 70°C professional-grade build quality includes mounting hardware and manual standard industry compatibility certification: TUV for commercial and industrial use only (H.S. Code 48840814) Origin: United Kingdom Warranty: 1 year standard warranty	unit	Sensor Module	Philips	T0FH8JDWT7	23
